NOTE.—The figures in this Table—in which are included vessels under 100 tons and yachts—are based on the Gross Tonnage for both Steamers and Sailing Vessels. The Table, of course, includes some vessels which were completed in 1911, but not classed until 1912, and omits others which, though completed in 1912, were not classed until 1913. It therefore does not coincide with Table No. 12.
